Enrollment of Pupils for New Term of School.

Junior High at Quincy Receives 20 New Ones.

FLORIDA TRIP CALLED OFF

Delegation Warned by Railroads Travel Is Uncertain.

Could Promise to Carry Them No Farther Than Memphis.

Monday was enrollment day in the public schools. E. G. Watkins, principal of McKinley school, reports that twenty-eight new pupils were entered in the school. There are one hundred and fifty-four students enrolled in the school at present. Six pupils were given diplomas at the end of last term and two of them will resume their work in the high school. One of them will go to Lincoln Institute, Jefferson City, Mo.

The attendance at McKinley has been very good considering the bad winter weather and the sickness on the North side. After the holidays about twenty students were out of school with the grip but all of them are back in school now.

The enrollment of new students in Grant school was ten and the same number of students were sent to Quincy school, where they will be given the work above the 6th grade. About two hundred and forty pupils are enrolled in the school. The sick list has been about normal this winter in Grant school. Miss Belle Shirley, a teacher from Tacoma, Wash., and Miss Lake City, will teach the 6th grade, taking the place of Miss Emma Burnett, who will complete her work in the State Normal.

Quincy school received twenty new students, and under the system adopted at the beginning of the term last year, the students who would have gone to the high school were entered in the junior high school. The junior high school consists of the sixth, seventh, eighth and ninth grades. Thirty-five entered the junior high school from the sixth grade. The grip made an inroad in the attendance for a while, but it is back to normal now.

**Stopped by Floods.**  
The delegation of North Topeka people which was to have left for Tampa, Fla., today to visit the Florida state fair, and the Gaspard historic carnival were notified last night by a telegram from the general passenger agent of the Frisco railroad that would not guarantee to get them any further than Memphis, Tenn., on account of high water. The trip has been postponed by members of the delegation until a later date. Those who were leaving from North Topeka were, D. E. Garner, Ira Williams, O. J. Kenner, Ralph Kenner and H. H. Bair.

**Notes and Personal.**  
Mrs. Edwin James, of Kansas City, was the guest Sunday of her sisters, the Misses Halsey and H. H. Bair.

Miss Iva Mae Butler, the only daughter of Mr. and Mrs. Sylvester Butler, 1421 Quincy street, was married to Ernest James, of Kansas City, at the home of the bride's parents. The ceremony was read by the Rev. John W. Waldron, of the Methodist church, on the Kansas Avenue Methodist church.

A large number of friends and relatives of the young people were present. Members of the senior society of the North Topeka Baptist church, will go on a bus-trip to this evening. The party will meet at 7 o'clock at the home of Miss Agnes Carlson, 1919 Central avenue.

Pearl M. Holcomb, of Elmore, who is a member of the jury, has been driving into town with a team every morning and says that the roads are in much better condition.

M. A. Hutcheson, of Cairo, was in North Topeka this morning on his way home from Kansas City, where Mrs. Hutcheson is in hospital.

A. M. Petro, of Druggist, Adv.  
W. R. Griffith left North Topeka this morning for Denver, Colorado, where he will visit for a short time.

Roy Brinkbrake, of Kiowa, who has been attending the lumbermen's convention in Kansas city, stopped here on his way home to visit his sister, Mrs. Joe Warnock, 1213 Folk street.

J. G. Whitehead was in town on business this morning, from Silver Lake.

## DANDRUFF GOES!

HAIR GETS THICK, WAVY, BEAUTIFUL

Save your hair! Double its beauty in a few moments.

Try this!

Hair stops coming out and every particle of dandruff disappears.

Try as you will, after an application of Danderine, you can not find a single trace of dandruff or falling hair, and your scalp will not itch, but what will please you most, will be after a few weeks' use, when you will find your hair fine and downy at first—yes, but really new hair—growing all over the scalp.

A little Danderine immediately doubles the beauty of your hair. No difference how dull, faded, brittle and scraggy, just moisten a cloth with Danderine and carefully rub it through your hair, taking one small strand at a time. The effect is immediate and amazing—your hair will be light, fluffy and have an appearance of abundance; an incomparable lustre, softness and luxuriance, the beauty and shimmer of true hair health.

Get a 25-cent bottle of Knowlton's Danderine from any drug store or toilet counter, or from the fact that your hair is pretty and soft as any—that it has been neglected or injured by careless treatment—that's all.

Danderine is to the hair what fresh showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them, stimulating and life-producing properties cause the hair to grow long, strong and beautiful.—Advertisement.

## AT THE THEATERS

At the Hip.

"St. Elmo" was the offering at the Hip last night for the first time and to say that it pleased all would be putting it mildly. This play, dramatized from Augusta J. Evans's great novel of the same name, is far superior to the usual run of stock plays. Mr. Knorr was seen as St. Elmo, Miss Madiera as Edna Earle, and the balance of the company rendered their good support. There will be a popular price matinee tomorrow afternoon.

Starting Thursday night, "Damaged Goods" will be presented. This is the first time that this sensational play has ever been seen here, although it has been shown in the movies. "Damaged Goods" should pack the theater every performance and it will be played for the last half of the week only.

"My Home Town Girl."  
Theater-goers of Topeka who failed to see Hyams & McIntyre when they appeared at the Grand on January 17, last, will be given that opportunity on Tuesday, February 8, on which date Manager Crawford has succeeded in having them play a return engagement en route from Denver to Chicago. Hyams and McIntyre are appearing in

Hyams and McIntyre here February 8.

At the Orpheum.  
Unexcelled photography and some of the most effective sets ever incorporated in a motion picture shown in this city, make the Tri-angel-Keystone comedy, "Fatty and Mabel Adrift," a remarkable production. Several outdoor scenes in the late evening and early morning have been reproduced with unusual effectiveness. "The Corner," a Triangle-Griffith drama, which is also shown at the Orpheum during the first half of the week, tells a story of modern labor conditions. The cast includes besides George Fawcett, Willard Mack, author of "Kiek In," which recently played in Topeka. Hoyt Scott and Baker in a vaudeville act which is included in the bill, offer a variety of songs, dances and chatter that compares well with similar turns.
